

ATTENDANCE MANAGEMENT

Policy Statement

Dumfries and Galloway Constabulary is committed to providing support, advice and assistance to all Force personnel suffering genuine health, safety and welfare issues. The Force will deal with all such matters in an understanding and sensitive way to ensure the needs of the individual and the Force are met. This includes monitoring the potential for added pressure on those employees able to attend work.

Absence management procedures and the benefits, welfare provision and services available through Occupational Health and Welfare (OHW) will be made readily available to all Force Personnel.
